

# Standard and Special Bearings

personalized bearing solutions

**ACB**  
**USA**  
ATLANTIC CUSTOM BEARINGS

## personalized bearing solutions

ACB USA Bearings emerges as a new brand of highly engineered bearings. Our philosophy is to offer our customer a personalized solution that includes pricing, quick deliveries, small scale production and changes to standard bearing designs for a specific customer's need. ACB USA does not intend to replace the leading bearing manufacturers but to complement them. Our premature success has been enhanced by maintaining a consistent quality standard throughout the fabrication of very different bearings types supplied.

STATEMENT OF WARRANTY Atlantic Bearing Services will replace free of charge within one year of date of sale, any ACB.USA product which has failed in normal use and service due to defects in material or workmanship. Such product must be returned to Atlantic Bearing Services, Miami Florida, transportation charges collect. The provisions of this warranty shall not apply to any product which has not been properly lubricated, subjected to misuse, negligence or accident, or which shall have been repaired or altered in any way so as, in the judgment of Atlantic Bearing Services, to affect adversely its performance and reliability, nor which is used for a purpose for which it is not designed. This agreement to replace defective parts is buyer's exclusive remedy and is expressly in lieu of, and is hereby in disclaimer of, any implied warranties of merchantability and fitness for a particular purpose, as well as all other implied warranties, in law or equity, and of all other obligations or liabilities on seller's part. Seller's agreement hereunder runs only to the immediate purchasers and does not extend, expressly or by implication, to any other person. In no event shall seller be liable for incidental or consequential damages. This warranty shall be governed by the uniform commercial code.
