

NEW ENGINEER IN MONTERREY, MEXICO

Rodrigo Venegas joined our company as a Sales Engineer in charge of the Northern Mexico area on July 1st, 2021. He graduated from Mexico's Technological Institute of Morelia with a degree in Mechanical Engineering. Rodrigo has a distinguished four-year career as a Project Engineer and Maintenance Planner at Ternium. In addition, to having completed an internship at Nissan Motor Corporation. We are confident that Rodrigo will have a prosperous career at ABS and anticipate that this collaboration will yield excellent results.
Rodrigo, welcome to the ABS Team!

Happy Birthday! July!

KEEPING YOU UPDATED ON OUR TEAM'S NEWS

Here is our tenth edition of ABS People News! *We hope you enjoy it!*

ABS TEAM CONDUCTS BEARING AND GEAR FAILURE ANALYSIS WORKSHOP

Eugenio Galban and Jean Carlo Ulate delivered a remote workshop on **Bearing and Gear Failure Analysis** to a very important customer in Costa Rica, CMI, from July 20th to the 22nd. Eugenio delivered the theory and technical training, while Jean Carlo focused on the practical application examples. Both instructors received rave reviews from attendees for the course content and their level of expertise on the topics. Fantastic work, gentlemen!

We would also like to thank Keyli Mora, Costa Rica Branch Manager, for her meticulous planning of this event. Congratulations on an outstanding performance!

ABS TEAM WAS PRESENT AT AISTECH 2021

The company has released a newsletter describing our involvement at AISTech 2021 and the advantages of working together on such a large event. We'd like to thank Anibal Arrascue and Andrew Dykes for portraying our organization with such professionalism and poise in this issue. A great thank you to Maria Potes, Roberto Sanchez, and Victor Canalejo for meticulously organizing our assistance, you are the people who made it possible. Congratulations everyone!

SOFTBALL SEASON CONTINUES FOR THE ABS TEAM

The ABS Softball team has been playing consistently over the previous few months. There were two games, the first on June 19th and the second on July 24th.

The squad continues to develop their game skills, but most importantly, they are having a lot of fun. We are so glad to see our coworkers, their families and friends enjoying themselves while playing the game. GO TEAM!

"You've got to get up every morning with determination if you're going to go to bed with satisfaction." – George Lorimer
