

## NEW SALES ENGINEER IN PERU

Andre Sheldon began working as a Sales Engineer for ABS in Peru on June 1st. His focus will be on expanding the mining industry's market for ABS in this region. Andre has substantial business as well as mining industry expertise. He worked for SKF for nearly 12 years, starting as a Maintenance Technician and eventually becoming the KAM for the Mining Industry. Andre had previously worked with mining businesses such as Sandvik and Chungar. Andre has a technical degree in machinery maintenance and is an Industrial Engineer.

**Welcome to ABS, Andre! We are confident that we will achieve amazing things as a team!**

Here is our ninth edition of ABS People News! *We hope you enjoy it!*

## MGS CELEBRATES 5 YEARS!

MGS Gears turned five years old on June 8th, 2021.

A leader in Italy for custom-made gearboxes, gears and power transmission products. The services of gear and gearbox design, gear cutting, gear grinding, engineering, machining, milling, welding, heat treating, and assembly at the highest quality makes MGS a world class business. MGS Gears is a member of the ABS Group.

MGS products have been employed in projects in the United States, China, Costa Rica, Guatemala, Mexico, Colombia, Honduras, El Salvador, Nicaragua, and the Dominican Republic, among other countries.

## CAREER DEVELOPMENT AT ABS WIND MEXICO

Roxana Adriano was promoted to HESQ Manager at ABS Wind Mexico on June 15th, 2021. Roxana joined the firm as a HESQ Supervisor in December 2019 at the Solar Energy Park in Puerto Libertad, Sonora, Mexico. She did a fantastic job on her task at this place.

She had a successful 5-year career as a Health, Safety, and Environmental Supervisor at firms like as SEGSAACON, Hill International, and Grupo Prosa before to joining ABS Wind Mexico. She graduated from Sonora State University with a degree in Industrial Environmental Engineering.

Roxana, congratulations!

*"The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand."*

– Vince Lombardi
