ABS WIND USA CELEBRATES ITS SECOND ANNIVERSARY

Alvaro Ortega, CEO - ABS Wind USA

This month we celebrate the second anniversary of the birth of ABS WIND USA. It was a decided commitment to a growing sector and, thanks to the effort, dedication and high qualification of all those involved, time has not only proven us right, but also forces us to get more involved every day.

Located in the strategic area of Big Spring, Texas, where 25% of US operations are carried out, in its first two years, ABS Wind USA has managed to consolidate itself as a trusted provider and guarantees for the maintenance and repair of Drivetrains, Gearboxes and Mainshafts for the main OEM brands. *Congratulations everyone!*

GET TO KNOW US: ABS CORPORATE VIDEOS!

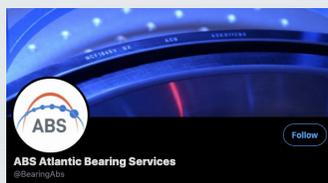

During the months of April and May some of our operations have been participating in creating Corporate Videos in the following locations:

- ABS Corporate Headquarters in Miami, USA**
- ABS Wind USA Workshop in Texas**
- ABS Wind Mexico Offices and Workshop in Puebla, Mexico**
- ABS Regional Offices and Workshop in Cartago, Costa Rica**

Hopefully, we will be coming to more locations soon!
