

## ABS WIND HAS A NEW FACE IN NORTH AMERICA

On April 5th, Jaime Estevez joined the ABS Wind Team. He will be taking over the responsibilities of Directing commercial activities for the United States and Canada markets. Jaime possesses a very solid Sales background; Prior to joining ABS, he spent the past 11 years developing the North and Latin American commercial market for Dassault Systems, one of the largest software companies in the world. But his education as a Mechanical Engineer, and his technical experience in a variety of industries, give him a very important edge which we are sure will be a great asset to our operation. **Welcome to the team, Jaime!**

### Back in the Ballgame:

## ABS MIAMI'S SOFTBALL TEAM!

During the months of March and April, our team in Miami has been holding a monthly softball match.

These games are great opportunities not just to have a lot of fun and to practice Teamwork, which is one of the biggest goals in connecting sports to the workplace. But especially, for the team to spend quality time together with our families and have great time while getting some fresh air.

This was an honored tradition at our company, that was suspended due to the events of the COVID-19 Pandemic that started in the beginning of 2020. Now we are back and ready to Play Ball!

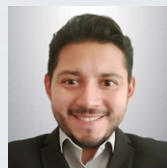

### Happy Birthday! April
