## WE MISS YOU, JUAN!

On Thursday, November 19th we celebrated Juan Diaz's official retirement from ABS. A small get-together with the ABS team to honor his career was held in our Miami Office.

Juan has been a key member of the ABS family for many years and his contribution to this company is invaluable.

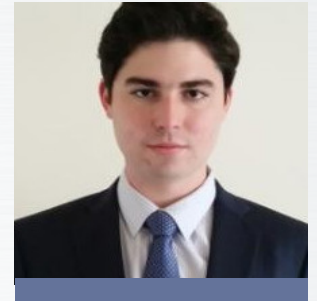

Juan is a magnificent storyteller always sharing life experiences and valuable advice. His laughter and one-of-a-kind sense of humor are greatly missed at ABS!

*We wish you a very happy retirement, Juan!*

## KEEPING YOU UPDATED ON OUR LATEST CHANGES

Welcome to the fourth issue of our ABS People News! We are happy to share the following news regarding our team.

## A New Face in Wind Division

Mario Gonzalez will join our ABS Wind Division Team in Miami on December 1st, 2020. Mario holds a degree from Penn State University in Energy Engineering and strong commercial background in industrial sales; from which we know his contributions will be of great value to our company. *Welcome aboard, Mario!*

## Bearing Technology Experts

Eugenio Galban and Allan Navarro, engineers on our China and Costa Rica teams, respectively, have successfully completed Modules IV and V training for Advanced Concepts of Bearing Technology.

Continuing under the guide and instruction of Professor Escanaverino, Eugenio and Allan have completed their training; armed with all this new knowledge they will be able to provide the highest quality of service to our customers.

*Great job gentlemen!*

## ABS and Saint Jude's Rides

ABS has been contributing to St. Jude Rides for a few years. Andrew Dykes, Sales Engineer on our team since September, is the leader of this organization in Dyersburg, TN. This year they partnered with a local BBQ to bring Thanksgiving dinners to families in need around the community.

*Way to go Andrew!*

*"Enjoy the little things, for one day you may look back and realize they were the big things." Robert Brault*
