### **1. Contract Formation.**

These International Terms and Conditions of Sale apply to cross-border purchases of engineering services and equipment ("Products") from Atlantic Bearing Services ("Seller") in response to a written quotation ("Quotation") presented to the customer ("Customer") listed in the Quotation by an authorized Seller's representative. Seller's Quotation is subject to withdrawal at any time before acceptance. Customer accepts by signing and returning the Quotation or by sending a purchase order in response to the Quotation. Upon Customer's acceptance, Seller's Quotation and any documentation attached thereto, as well as these standard terms and conditions, shall constitute the entire agreement relating to the Products covered by the Quotation. Any and all Customer terms and conditions are hereby rejected and shall be of no effect.

### **2. Price.**

Customer's price is stated in the written Quotation. Published and quoted prices are subject to change without notice, unless a specific period is stated in the Quotation for which Seller agrees to hold prices constant. If delivery is delayed at Customer's request beyond the originally scheduled delivery date, prices are subject to revision.

### **3. Taxes.**

Prices do not include sales, use, gross receipts, excise, value-added, assessment related thereto or any similar transaction or consumption taxes (collectively, "Taxes"). Seller shall collect or seek reimbursement for any such Taxes from Customer. Such Taxes shall be separately stated on Seller's invoices to Customer. Customer shall pay any such Taxes that may be levied on or assessed against Customer or Seller and Seller's subcontractors or furnish to Seller evidence of exemption therefrom.

If terms of payment are not stated in the Quotation, payment for all Products shall be made in full and without set off prior to shipment. If Products are delivered in installments, Customer will pay for each installment in accordance with the payment terms specified above. Delays in delivery shall not extend terms of payment. If Customer has a good faith dispute regarding payment for a particular Product, such dispute shall not entitle Customer to withhold payment for any other Product purchased from Seller. Interest shall accrue on past-due amounts at a rate equal to the lesser of 1.5% per month or the maximum rate permitted by applicable law. Customer will reimburse Seller for reasonable costs (including attorneys' fees) relating to collection of past due amounts.
